ROBLOX®, CODERS-ENTREPRENEURS \$199

JUNE 22-25 | VIRTUAL

Rising 4th-6th graders: 9 a.m.-noon | Rising 7th - 9th graders: 1-4 p.m.

Discover how to code in the Lua language while playing and designing worlds in ROBLOX®, an online universe where campers can create anything they dream of. This new camp combines game design concepts, coding, and fun. Young entrepreneurs will also learn how to navigate ROBLOX®, a fast growing marketplace to publish their games. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. **Basic computer knowledge is essential for success in this camp.**

\$10 license fee per student with this class

PROGRAM IT! \$235

JULY 6-9 | CENTRAL CAMPUS

Rising 6th-8th graders: 8:30 a.m.-noon | Rising 9th-12th graders: 1-4:30 p.m.

Do you have a camper interested in building their own video game? This camp is an introduction to text-based programming. The computer languages learned make it easier to create graphics-based programs. Concepts covered can be applied to practically any other computer languages, including C, C++ (C plus plus) and C# (C sharp). Campers will learn skills that can be directly applied to real-world programming tasks in an interesting and fun way.

Fee includes camp T-shirt and your own project designed uniquely by you.

MINECRAFT REDSTONE ENGINEERS

\$250

JULY 13-16 | LEVINE CAMPUS

Rising 4th-6th graders: 9 a.m.-noon | Rising 7th-9th graders: 1-4 p.m.

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mods. Introductory coding will also be taught through a simulated environment inspired by Minecraft. Student projects will be available on a password protected Black Rocket website to share with friends and family. **Students must own a Java version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible. Students will work in pairs or teams for most of the program.** Returning students can create more advanced projects that build on previous years.

Fee includes camp T-shirt and use of your own project designed uniquely by you.

PYTHON PROGRAMMERS: MAKE YOUR OWN MULTIPLAYER GAME

\$250

JULY 20-23 | LEVINE CAMPUS

Rising 4th-6th graders: 9 a.m.-noon | Rising 7th-9th graders: 1-4 p.m.

YouTube, Google, Instagram and Spotify - what do they have in common? They were created with Python. Campers will learn how to code with Python and create their first multiplayer adventure game. Each lesson takes campers step-by-step to begin their own programming path that will let them challenge friends with a fun game built from start to finish. **Basic computer knowledge is essential for success in this camp.**

Fee includes camp T-shirt and your own programmed project created uniquely by you.

VIRTUAL REALITY

\$250

JULY 27-30 | LEVINE CAMPUS

Rising 4th-6th graders: 9 a.m.-noon | Rising 7th-9th graders: 1-4 p.m.

Embark on an EPIC adventure in virtual reality. In this cutting edge class, you will learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. At the end of the week, take home your first cardboard VR headset to show friends and family the new worlds you created. VR projects can be viewed on a website or a mobile device. **Students do not need a mobile device to take the class, but to use the VR headset at home a camper will need access to an Android or Apple mobile device.** Students will work in pairs or teams and VR games will be available on a password protected Black Rocket website to share with friends and family.

Fee includes camp T-shirt and use of your own project designed uniquely by you.

COSMETOLOGY

BEAUTIFUL YOU

\$350

JULY 20-23 | CITY CENTER • JULY 27-30 | CITY CENTER

Rising 9th-11th graders: 9 a.m.-2 p.m.

Calling all makeup artists, future stylists, and fashionistas. Beautiful You allows campers to explore new and popular trends in the beauty industry. We hope you will join us as we learn fashion make-up trends, along with festival makeup artistry, and themed photoshoot hair styling tips. Our goal this summer is to blend popular styling concepts with basic haircare principles, long hair design, braiding, manicuring and pedicuring, skin care, and makeup application. Topics include hair fashions and trends along with the history of hairstyling. Campers will learn fundamental hands-on skills in the world of fashion, hair, and makeup. Demonstrations of these activities will be taught by a licensed professional cosmetologist in our salon lab environment.

Fee includes camp T-shirt and a cosmetology beauty kit, including styling tools, makeup, and "must have" style instruction guides.

FORENSICS AND LAW

CRIME SCENE INVESTIGATOR

JULY 6–9 | MERANCAS CAMPUS

Rising 7th–12th graders: 8:45 a.m.–4 p.m.

Calling all future forensic investigators. Campers attending the CSI camp will participate in exercises that include techniques from the forensic laboratory and crime scene processing. Students will process and document mock crime scenes using real world techniques and equipment. They will use laboratory equipment to analyze evidence obtained from various crime scenes. Campers will practice fingerprinting, casting and molding shoe impressions, developing fingerprints, collecting and documenting evidence, and maintaining chain of custody of evidence. In addition, visitors from other law enforcement agencies, such as FBI, Secret Service, CMPD, US Postal Inspectors, and other forensic lab or specialist personnel, may make short presentations.

Fee includes camp T-shirt, crime scene box and supplies, class photo, foot cast, and more.

\$350

ADVANCED CRIME SCENE INVESTIGATOR **\$350**

JULY 13–16 | MERANCAS CAMPUS

Rising 8th–12th graders: 8:45 a.m.–4 p.m.

Interested in solving crimes? Advanced CSI campers will participate in exercises that include crime scene processing and the collection of evidence. Students will practice fingerprinting, casting and molding shoe impressions, and will be introduced to some other advanced techniques that include the use of our ESDA (Electrostatic Dust Apparatus), shooting reconstruction exercises with lasers and photography, as well as other activities. In addition, campers will prepare forensic science tables for show and tell. They will process more advanced mock scenes that will challenge their observation skills and team work. Special guest visitors are also planned.

Fee includes camp T-shirt, crime scene box and supplies, class photo, foot cast, and more.

OVERRULED

\$350

JULY 20–23 | MERANCAS CAMPUS

Rising 8th–12th graders: 8 a.m.–4 p.m.

Do you have an aspiring attorney at home? If you think your camper is interested in a legal career or is just fascinated by the law, this camp is for them. Campers will play the role of a prosecuting or defense attorney, an expert witness, a lay witness, a juror, a criminal investigator, etc. as they attempt to unravel the truth in a mock homicide trial. Campers will also join us for a trip uptown to learn about state and federal courts and the basics of courtroom procedures.

Fee includes camp T-shirt, and field trip.
